

STEPHANIE HUBERT

stephanie@studiohubertdesign.com

Austin, Texas

I am passionate about creating spaces that delight our lives and support our overall well-being. My design philosophy reflects my deep appreciation for architectural detail, history, and the emotional impact of a well-designed interior. I believe that the spaces we inhabit have a profound effect on our individual and collective lives, and I am honored to uplift those lives through my designs. Through my work across multiple industries, I have developed strong customer service, organization, and communication skills, and I thrive in roles that blend logistical problem-solving with creative expression. Grounded in the values of connection, authenticity and impact, I am committed to continued personal and professional growth as I pursue opportunities to expand my knowledge and amplify my service.

Customer Service & Sales

Madewell - April 2023 - October 2024

Customer service role with close teamwork to maintain the store and ensure the successful completion of deliverables.

Chez Genese - August 2021 - October 2022

Client-facing role involving event production, administrative process improvement, establishing efficient working systems, and on-site event operations organization.

Interior Design

August 2022 - Present

Early hands-on experience in design included helping friends and family transform their spaces and solve design challenges. Designing personal spaces refined a knack for balancing aesthetics with functionality. Formal training at the Interior Design Institute further refined creative processes, expanded technical expertise, and strengthened knowledge of industry standards. Client work expanded into translating individual needs and personal styles into cohesive, welcoming spaces.

Notable Projects:

Sleepy Valley Hideaway, Boone, NC: Consultation and styling for multi-family rental property.

Norwalk Lane, Austin, TX: Full interior design for studio apartment in West Austin.

Alta Loma Drive, Austin, TX: Main floor concept redesign and consultation for single-family home.
